- 2D : Adobe Creative Suite (Photoshop, Illustrator, InDesign), Adobe Flash, Toon Boom Animation.
- Video : Adobe After Effects, Adobe Première, Apple Final Cut
- Web : Adobe Dreamweaver
-

■ RECOMMENDATIONS

"Laurent delivered excellent work on our project using primarily FumeFX and Rayfire for dynamic simulation and effects. He was a collaborative member of the team and contributed fine detail with a professional attitude. It was a pleasure to work with him."

Ben West, Director at [ROBOT](http://www.robotvfx.com) (December 2010)
